2011-2012 Royal Caribbean Australia Early-Bird Launch

Rhapsody

Radiance

Royal Caribbean International is delighted to announce the return of **Australia's favourite superliner, Rhapsody of the Seas**, for her fifth season in Australia in summer 2011/12. And from spring 2011, she will be joined by **Australia's first twenty-first century superliner, Radiance of the Seas**, also based in Sydney.

Radiance of the Seas

Launched in 2001 the 2501-passenger Radiance of the Seas will be Australia's first 21st Century superliner with many unique amenities including a 9-hole miniature golf course, basketball court and Adventure Beach kids' area with waterslide. Her modern propulsion system also means she has one of the most 'environmentally-friendly' engines of any cruise ships at sea.

One of four ships in Royal Caribbean's stunning Radiance Class, Radiance of the Seas features more open space, balconies and glass than any other cruise ship of her size. Her nine-deck high atrium is complemented with glass elevators facing the sea and acres of glass windows for picture-perfect viewing of each exciting destination.

Rhapsody of the Seas

Discover why Australia has fallen in love with Rhapsody of the Seas, our 2,435-guest superliner. Be treated like royalty with our 'Gold Anchor Service' while enjoying her onboard offerings such as dramatic walls of glass, an Egyptian-themed indoor pool with retractable canopy, relaxing whirlpools, first-rate day spa and fitness centre, dazzling theatre shows and live performers, a

host of fine dining and more casual options, and for the adventure seekers, the signature Royal Caribbean rock-climbing wall.

These exciting new programs are open for sale from **Monday 19 Apr 2010** with attractive Early Bird Savings of **up to \$900** and fares from just \$475 per person.
