Having sailed Rhapsody of The Seas ourselves (Honolulu to Sydney), we can honestly recommend this cruise for just about anyone. There's something about the South Pacific; it's probably the Aussie love for paradise & beaches! It truly is amazing.

Let us take care of pre-arranged shore tours for you, sometimes at a fraction of the price of onboard excursions and no queuing up - no disappointments! Let us and tailor them specifically for your needs. Swim with the marine wildlife! It's amazing!

We'll also package up car hire or tours in Honolulu, Pearl Harbour is a MUST see. Don't risk trying to do it when you get there!

This cruise suits passengers of all ages, particularly those keen to wet their toes. Kid's facilities are excellent as is the nightlife, with great shows and excellent dining/bar atmosphere.
