What to do...

If you don't want to miss out on this first-time cruise offer, register your interest with Cruisescene straight away. We require you to provide us with a registration deposit of \$AU600 deposit per person. Once we release the confirmed fares, we'll happily refund your deposit (less a 10% admin fee), if the estimated fares have increased beyond your budget.

Why are we asking for an upfront registration deposit for a 2011 cruise?

Simply: because these cruises will sell out quickly. And, early registrations will attract the best early advertised fares before the earlybird allocations are taken up by other cruisers.

If you love Rugby, and love cruising; these packages are ideal for you!

But be quick! These fares will never be repeated.

Call us on 1800 678 555 to secure you registration ASAP! Or email us at michael@dbt.com.au for more info!
